

Men Are Like Waffles, Women Are Like Spaghetti with Bill & Pam Farrel

Men and women know they are different, but what can they do about their differences? The Men Are Like Waffles Women Are Like Spaghetti Conference will

explain why a man is like a waffle (each element in his life in a separate box), why a woman is like spaghetti (everything in her life touches everything

else), and how the differences can work for you. Learn how to develop relationships that relieve stress and create intimacy. Learn how to coordinate parenting so kids get the best of both mom and dad. Bring out the best in your relationships - at work, at home, in friendships. Men Are Like Waffles Women Are Like Spaghetti will shine light into the marvel and mystery of the ones you love and care about the most.

Invite your family & friends! We welcome couples from all faiths and backgrounds.
